

Lindon Elementary School

“Work hard. Learn well. Play often.”

Jason Theler, Principal ••• Lani Sitake, Admin. Assistant ••• Bryan Shoell, Custodian ••• Stacie Bunton, Secretary

Dear Parents,

Several years ago, the Utah Legislature required that all schools establish a School Community Council (SCC) to provide input, receive feedback, and have stewardship over a number of critical school duties. Specifically, the SCC responsibilities include: creating a school improvement plan, managing the school Land Trust monies (approximately \$22,000 this year), developing child access and safe routes plan, assisting with professional development, and implementing a reading achievement plan.

Our SCC includes four parents (3 area representatives and the PTA president) and three school employees. Tami Mickelsen will continue representing Area #1, Amber Watson was recently elected to Area #2, and Bob Miller will continue serving in Area #3 (which represents the many students that attend our school, but in live the boundaries of other schools—like the students in A.L.L. classes and our Small Group Special Education classes).

The goal of the SCC is to build consistent and effective communication among parents, employees, and administrators in order to make good schools great. As such, our meetings are open to the public—look for our meeting dates in the school newsletter. Please contact your representative if you have any questions or if you wish to pass along concerns or congratulations about things happening here at Lindon Elementary.

Respectfully,

The School Community Council
